**Program Grant applications are due January 15, 2022.**

## About CALP Program Grants

Calgary Learns is the [Community Adult Learning Program \(CALP\)](#) granting council for Calgary. The Ministry of Advanced Education funds CALP, which supports over 85 community-based learning organizations in Alberta that provide adult literacy and foundational learning opportunities to financially and socially barriered adult learners.

Calgary Learns administers Program Grants to local part-time programs who **focus on delivering foundational literacy and/or learning content designed to meet the learning needs of adult learners at the foundational level**. The granting term is from **July 1, 2022 to June 30, 2023**.

The Indigenous Program Grant Stream is for all programs designed for and serving Indigenous learners. The granting process for this stream follows recommendations from Elders and Indigenous community leaders. All proposals moving forward after the application process, also present their program orally to the Indigenous review team. This process aims to support programs to create ethical space for Indigenous foundational learners.

All successful applicants are required to collect Outcome Measurement and Evaluation (OME) data, as defined and required by the Ministry of Advanced Education's CALP grant. For more information and examples about OMEs, see the [CALP Data Collection Guidelines](#) and [Calgary Learns' funding tutorial videos](#).
